

# Your CMS 4.5-Star Bundle Hip and Knee Home Health Partner

**Bundled Payment Model:** For Medicare’s new proposed Comprehensive Care for Joint Replacement model for 2016, Home Health plans an integral role in patient care. Evergreen Home Health brings more than a decade of experience in providing comprehensive Home Health services for hip and knee replacement patients in highly-coordinated care delivery programs.

**Goal:** The goal of CMS 4.5-Star Rated Evergreen Home Health in this new model of care is to provide high-quality, value-based care in the patient’s home following a hip and knee replacement surgery. Evergreen Home Health strives to provide better outcomes and reduce complications such as preventable readmissions, infections and prolonged rehabilitation and recovery.
